

What are Doodles? Rewriting Samples

Formal

Demonstrates an emotional, passionate temperament, as well as a keen sense of perception and intuition. Currently, certain issues are causing this person to feel worried, tense, angry, and melancholy, and they have entered a condition of self-questioning. This individual enjoys social interaction but yet requires seclusion and is fearful of being pushed upon. If the shaded face is of the opposing sex, it signifies conflicted sentiments of wrath and affection for a partner, either as a result of a recent break-up or due to sexual and emotional instability in the relationship. Odd faces with fantastical features, a sense of fun, and an offbeat sense of humour are revealed by truly bizarrely shaped ears, eyes, or other features, some of which are not real. This individual is self-sufficient and possesses a vibrant, imaginative imagination.

Shortened/Condensed

Intuition and perceptiveness are seen. Currently, certain issues make this person uneasy, tense, angry, and melancholy, and they are self-questioning. Invasion of privacy is feared by this person. Anger and love mixed with a recent break-up or sexual and emotional conflict in a relationship are indicated by a shaded face of the opposite sex. Strange ears, eyes, and other features indicate a sense of fantasy, fun, and offbeat comedy. This person is self-reliant and imaginative.

Fluency

Text 1 reveals an expressive, passionate personality with keen perception and intuition. Certain issues are causing this individual to feel worried, tense, angry, and unhappy at the time, and they have entered a self-questioning state of mind. This individual enjoys others yet requires privacy and is wary of being ostracised. If the shaded face is of the opposite sex, it signifies that you have mixed sentiments of fury and affection for your lover, possibly as a result of a recent break-up or because of sexual and emotional incompatibility in the relationship. Odd faces with fantasy traits, a sense of fun, and an off-beat sense of humour are revealed in truly strangely shaped ears, eyes, or other features, even those that do not exist in reality. This individual is self-sufficient and possesses a vibrant, creative imagination.

Fluency Rephrased

demonstrates an emotional, passionate temperament, as well as perceptiveness and good intuition. Certain issues are currently causing this person to feel worried, tense, angry, and melancholy, and they have entered a self-questioning state of mind. This individual enjoys others yet requires seclusion and is afraid of being imposed upon. If the shaded face is of the opposite sex, it denotes mixed sentiments of fury and affection for a partner, possibly as a result of a recent break-up or sexual and emotional instability in the relationship. Odd faces with fantasy traits, a sense of fun, and an off-beat sense of humor are revealed in extremely oddly shaped ears, eyes, or other features, even those that do not exist in reality. This person is self-sufficient and has a bright, creativeness.
